M: Hello, third graders. This is your school career counselor, Michael Cliff. As you know, the School Curriculum Expo will be held next month and many freshmen are excited to learn about the school curriculum and various subjects. So, we're looking for volunteers for the expo. Since third graders have already studied many subjects, I believe you can support the freshmen as mentors. Volunteers will create videos about different subjects, and these videos will be shown in the school lobby during the expo. This will help the freshmen choose the subjects that are right for them. If you're interested, please visit the school website and apply for a volunteer position by this Friday. Thank you.

대화를 듣고, 여자의 의견으로 가장 적절한 것을 고르시오.

W: Honey, what are you doing?

M: I'm looking for the sunscreen before I go hiking.

W: Oh, here it is. [Pause] Wait, you'd better not use this.

M: What's the matter?

W: The sunscreen is expired. I bought it a while ago. Cosmetics should be used before the expiration date.

M: Why is that? They're not even food.

W: It's not safe to keep using them after the date on the label. Bacteria can grow over time.

M: Oh, that could cause problems, I suppose.

W: Exactly. It increases the risk of developing skin problems. Plus, when it comes to sunscreen, expired ones might not protect your skin.

M: I guess I should check on my cosmetic products.

W: Absolutely. It's important to use cosmetics before their expiration dates to maintain their freshness and effectiveness.

M: Thanks for letting me know. I'll be more mindful of that now.

M: Good afternoon, listeners! This is *Brian's Daily Management Tips*. Many people these days feel overwhelmed by their to-do lists. They have many things to do every day and struggle with making progress. If that's your case, doing the most difficult task first can help you improve productivity. Have you ever heard of the saying "eat the frog first"? It means starting with the hardest task. Once that's out of the way, the rest of your work will feel like a piece of cake. Are you interested in boosting your productivity? Dealing with the most challenging task first is a simple but powerful tool to help you get there. We'll catch up with you after this short break!

W: Let me have a look. *[Pause]* That's awesome. There's a book tree on the wall.

M: All the club members worked together on it. Do you see the cloud-shaped sign above the door? I designed it.

W: Superb! I love the slogan on the sign. Oh, I also like the flower-patterned rug.

M: I like it, too. It fits the setting well.

W: Will the brush under the ladder be used to color the background?

M: Yes. When the painting is complete, it'll come to life even more.

W: Absolutely! And those two light bulbs above the clock add to the atmosphere.

M: Right. I hope you're looking forward to seeing the finished painting.

M: Hi, Chloe. I'm buying a massage tool for my mom. Can you help me choose a good one?

W: My pleasure. So, are these the top five best sellers?

M: Yes. But I can't afford more than \$20 because I'm on a tight budget.

W: All right. Options are narrowing down. Have you considered where your mom would want a massage?

M: Hmm, I think any product except the one for the face would be fine. She already has one.

W: Okay. Does she have any preferences for materials?

M: I don't believe she likes the cold feeling of metal.

W: That's not the right choice, then. Now, there are two options left.

M: Oh, they come with a free gift. I think she'd prefer an aroma oil. I'll go with that one.

W: Great choice.

M: Thanks for helping me. I'll order it now.

M: I hadn't thought of that, but I like the idea of turning this situation around.

W: You could even create your own bicycle tour by using a route planner. I'm sure it'll be worth the wait.

W: Hello, future writers. In our last session, we learned about different epic heroes, from mythology to modern stories. Today, we're going to focus on some traits that make such characters so attractive to readers of literature. First, one of the primary traits is courage. These heroes fearlessly face challenges and their courage inspires others to overcome their own difficulties. You can see it in Harry Potter. Second, strength is an essential trait. Take Beowulf as an example. He has the unbelievable strength of thirty men in his arm alone. Next, let's take a look at the intelligence trait. Epic heroes navigate tricky situations and solve mysteries. Sherlock Holmes, for example, is a genius detective with extraordinary intelligence. Lastly, selflessness is a key trait. Heroes often sacrifice their well-being for the greater good. This is evident in Prometheus, who stole fire for humans and was punished. This selflessness makes readers love him. All of these traits make heroic characters stand out and turn them into captivating figures. Now, let's create your hero and craft a story.
