1. 다음을 듣고, 여자가 하는 말의 목적으로 가장 적절한 것을 고르시오.

W: Hello, I'm Sally Barrett, the student council president. Since last week, the student council has been conducting a survey to determine your preferred destinations for the upcoming field trip. In the survey, you can choose one of four different places. Unfortunately, the response rate is currently below 30%. We want to hear more of your voices to better reflect your preferences. You can find the survey link on the school website. It only takes less than a minute to complete the survey. So, please take a moment to participate. Thank you.

2. 대화를 듣고, 남자의 의견으로 가장 적절한 것을 고르시오.

M: Paula, what are you working on?

W: Hey, Ethan. I'm ordering a banner for the speech contest to hang at the front gate.

M: Didn't you make a banner last year?

W: That's true, but the details of the event change every year. So I have to make a new one each time.

M: Then the banner is for one-time use only. Throwing away old banners creates a lot of waste.

W: You have a point. But what can I do instead?

M: How about using an electronic display board this time? It's much more environmentally friendly.

W: How so?

M: With it, you can update the changes without having to make a new banner.

W: Oh, I hadn't thought of that.

M: Plus, banners use plastic materials and ink, which aren't eco-friendly. But with an electronic display board, we don't have that issue.

W: You're right. I'll give it a try this time.

3. 다음을 듣고, 여자가 하는 말의 요지로 가장 적절한 것을 고르시오.

W: Hello, listeners. Welcome to *Bright Morning Radio Show*. For today's one-minute wisdom, let's talk about the importance of honoring your true self. In our fast-paced world, it's easy to lose sight of who you are. But ultimate happiness comes from accepting and appreciating the real you. True acceptance means listening to your inner voice, recognizing your strengths and weaknesses, and celebrating them. Why not take a moment today to treasure something that makes you, you? I'll be right back after the break.

4. 대화를 듣고, 그림에서 대화의 내용과 일치하지 않는 것을 고르시오.

M: Kate, what are you looking at?

W: Hi, Eric. It's a photo of my math club booth. Take a look.

M: Okay. I see the sign hanging from the ceiling that says "MATH CLUB".

W: Yes. To attract students' attention, we also decorated our booth with number balloons.

M: It looks cool. What was the most popular activity in your booth?

W: Students enjoyed solving a cube puzzle the most. Do you see the boy wearing a cap? He is working on it.

M: Interesting. And what is the girl in the floral-patterned T-shirt doing next to him?

W: She's just there in case he asks for help.

M: I see. What are those three boxes in the right corner?

W: They are gifts for the students who complete the cube the fastest.

M: Awesome! It seems like you had a great time.

W: Yeah, we did.

5. 대화를 듣고, 여자가 할 일로 가장 적절한 것을 고르시오.

W: Matthew, our fundraising bake sale is finally coming up this Saturday.

W: Sure. Starting with the menu, we decided on cheesecake and brownies, right?

M: Yes, I've ordered all the ingredients. What about the price tags?

W: I've already made them.

M: Great. And I finished decorating the event area with colorful flowers.

W: It must look fantastic! By the way, how's the event promotion going?

M: I posted an advertisement for the bake sale on social media.

W: Awesome! Is there anything that we've missed for the event?

M: We still need to prepare some change. There might be people who pay with cash.

W: I can do that. I'll get the change from the bank right away.

6. 대화를 듣고, 여자가 지불할 금액을 고르시오.

M: Well, the entrance fee is \$10 per person and \$15 per dog.

W: Okay. I'll buy tickets for one person and two dogs.

M: We also have snacks for dogs. Do you need some?

W: Sure. What kinds of snacks do you have?

M: We have some biscuits and pet milk. The biscuit is \$2 each, and the pet milk is \$3 per pack.

W: I see. I'll take two biscuits and two packs of pet milk.

M: Good choice. Do you need anything else?

W: No. I think that's all for now. Are there any discounts available?

M: Oh, this month, we're offering 10% off the total price.

W: Perfect. Here's my credit card.

7. 대화를 듣고, Community Rock Festival이 연기된 이유를 고르시오.

W: Hey Alex, how's the Community Rock Festival coming along?

M: Hi Emma. Actually, not so well. We've decided to delay the festival by a week.

W: Oh no, why? Is it because of the construction going on in the arts center auditorium?

M: No. The festival will be held outdoors.

W: Ah, is it due to the weather?

M: Not at all. We're expecting good weather all this week.

W: Then, is there a scheduling problem for the performers?

M: No, the performers were all set and they are even available for the new date.

W: So, why the delay then?

M: Well, it has taken longer to fix the broken sound system than we've expected.

W: That must be frustrating. I hope everything goes smoothly from now on.

M: Thanks.

8. 대화를 듣고, Bluehill Toy Library에 관해 언급되지 않은 것을 고르시오.

M: It's a library where you can borrow from a wide range of toys. It saves parents money and children can explore different toys.

W: Sounds nice! My kids seem bored with what they have. Where is it?

M: It's located on 11th Avenue downtown.

W: That's near my house. How much does it cost to borrow the toys?

M: Well, if you pay \$50 a year, then you can borrow as many toys as you want.

W: Wonderful! I'd like to check and borrow some toys myself. Do you know the opening hours?

M: The library is open from 9 a.m. to 6 p.m.

W: Great. I should go there tomorrow.

M: Oh, you can't. It's closed on Wednesdays.

W: I see. Thank you for the useful information.

M: Sure. I'd love to help.

W: Thanks. *[Pause]* I've narrowed it down to these five models. Take a look.

M: Let me see. Do you care about customer ratings?

W: Yes, of course. I wouldn't consider buying a digital camera with a rating below 3 stars.

M: Okay. Then this one is out. And I think the weight should be under 400g.

W: Good point. If it's heavier than that, it'll be hard to carry it all day.

M: Right. Do you have a budget in mind?

W: Yes. I can spend up to \$200.

M: Okay. There are only two options left now. How about the one with built-in Wi-Fi? You can share your videos online on the spot.

W: Well, I don't need that function. I don't usually share my recordings.

M: Oh, I see. Then you should go with this one.

W: Thanks for helping me. I'll order it now.

M: Yes, I tried making songs with the help of an AI tool. And the outcome was amazing.

W: Sounds nice! But how do you use it to make a song?

M: If you enter the lyrics and genre into an AI tool, it creates a song for you.

W: Really? It's simpler than I thought. So, are you participating in the contest, then?

M: Yeah, I've already signed up.

16번부터 17번은 두 번 들려줍니다.

[16 ~ 17] 다음을 듣고, 물음에 답하십시오.

M: Hello, students. Today I'll focus on the incredible abilities of some of the smartest sea creatures you could ever hope to meet! Dolphins have brains with specialized cells linked to reasoning, communication, and more. They can communicate with each other, using their body movements and sound. Next, octopuses are big-brained with a dedicated area for learning, which is useful for problem solving. For example, they can open jars to get food that's inside. Did you know that penguins also deserve to be in the spotlight for their intelligence? Most of them have exceptional memories and the ability to navigate accurately over long distances. Finally, people often think of great white sharks as brutal killers, but they are actually quite clever. They can acquire new skills through repeated experiences, which is particularly evident in their hunting strategies. Now, let's watch a video.
