1. 다음을 듣고, 남자가 하는 말의 목적으로 가장 적절한 것을 고르시오.

M: Hello, valued members! Thank you for choosing our gym for your workout. All of our staff try to provide a clean, safe, and enjoyable environment for everyone. Recently, however, we've received complaints about some members breaking our gym policies. There were some weights left on machines, equipment was not wiped after use, and outdoor shoes were worn inside the gym. Behavior like this can make others uncomfortable and may compromise the safety of all members. We kindly ask you to follow the gym guidelines so that everyone can enjoy a safe and pleasant workout. Thank you!

2. 대화를 듣고, 여자의 의견으로 가장 적절한 것을 고르시오.

M: Hello, Ms. Christine. Do you have a minute?

W: Sure. What would you like to talk about?

M: I was wondering if you could give us more time to take notes in class.

W: Can I take a look at your notes? I think I'm giving you enough time as is. *[Pause]* Hmm. It seems you are writing down too many things.

M: What do you mean?

W: When you take notes, it's better to write only the important parts from the lesson, not everything mentioned.

M: I thought I shouldn't miss anything you say, so I wrote down as much as possible.

W: That could make it hard to figure out what's important.

M: You're right. When I reviewed my notes, it was hard to tell what you emphasized most.

W: Exactly. Try to take selective notes with only key ideas.

M: I'll try that. Thank you.

3. 다음을 듣고, 남자가 하는 말의 요지로 가장 적절한 것을 고르시오.

M: Greetings, fellow enthusiasts! This is Alex from *The Creativity Channel*. Today, let's talk about the power of daydreaming. Many people think daydreaming is a sign of laziness or a lack of focus, but I'm here to challenge that idea. Daydreaming can be a powerful tool that fuels creativity and inspires innovation. Many studies suggest that daydreaming and creativity use similar mental processes. Creativity often comes from connecting distant ideas to create something new. In the same way, when we daydream, we generate our own thoughts that are unrelated to the current situation. This shows that the random thoughts in your daydream can lead to fresh and innovative ideas. So the next time you daydream, don't fight it!

4. 대화를 듣고, 그림에서 대화의 내용과 일치하지 않는 것을 고르시오.

M: Hey, Tina. What did you do last weekend?

W: I went to a one-day baking class. Check out this photo I took.

M: Wow. There's a banner on the wall that says "Baking Class".

W: It's really eye-catching, isn't it?

M: It is. I can see baking trays on the cabinet.

W: Yeah. Each student used their own tray to bake cookies.

M: Who's the person in the flower-patterned shirt?

W: She's the instructor. She was really helpful. Do you see the cookies on her tray? She made them in the shape of a heart.

M: I see. What are the two boxes on the table for?

W: Those are for boxing the cookies. We put the cookies we baked in them.

M: Nice. Sounds like you had a lot of fun. I want to take the class some time, too.

5. 대화를 듣고, 여자가 할 일로 가장 적절한 것을 고르시오.

W: Hi, Jake! Are we all set for the Robot Soccer Match, tomorrow?

M: Hi, Emma! I think so, but let's double-check just in case. Do we have extra batteries?

W: We have two extra batteries fully charged.

M: Great. What about the mini quiz on robot soccer?

W: All the questions are prepared and I've also ordered a prize for the quiz winner.

M: Good. I've already set up seats for the guests. Do you think we'll need more?

W: No, I think these should be enough.

M: Then it looks like we're all set. Oh, wait. I left the video camera in the club room.

W: Really? We'll need it to record the match. I'll go get it right away.

M: Thanks. While you're doing that, I'll set up the banners at the entrance.

W: Sounds good! I hope everything goes smoothly.

M: How much does each cost?

W: The four-session package is \$140. But if you register for the eight-session package, it's only \$220.

M: Oh, then I'll take the eight-session package. I also need to rent diving gear.

W: No worries. Gear rental is included in the package.

M: That's great! Is there anything else I should know?

W: Yes, there's an admission fee for the diving pool. It's \$10 per session, so in your case it would be for eight times.

M: I see. Also, I saw there's a discount for new members this month.

W: That's right! Since this is your first time, you'll get \$10 off.

M: Sounds good. I'll pay now.

7. 대화를 듣고, 여자가 보드게임을 하러 갈 수 없는 이유를 고르시오.

M: Hi, Jenny. How was your health checkup yesterday?

W: Hi, Mark. It went well. The doctor told me I have nothing to worry about.

M: That's good to hear. By the way, do you like playing board games?

W: I do. Why do you ask?

M: I'm having some friends over to play board games at my place this Friday afternoon. Do you want to come over?

W: That sounds fun, but I don't think I can make it.

M: Oh, is it because of your part-time job?

W: No, I don't work on Fridays.

M: Then, do you have to finish your report?

W: I've already done that. Actually, my washing machine broke down and I have a repairman coming over on that day to fix it.

M: I see. Someone needs to be home to let him in.

W: Exactly. I can't leave the house. Have fun with the others, though!

8. 대화를 듣고, Night Sea Concert에 관해 언급되지 않은 것을 고르시오.

W: Hey, Sean. Have you seen this brochure about the Night Sea Concert?

W: It's a concert that'll be held at the Fintown Ocean Park. The park is popular for its scenery.

M: Really? It would be wonderful to listen to beautiful music surrounded by the evening ocean views.

W: Exactly. Top class musicians will be performing, including Henry Solace. I know he's your favorite violinist.

M: Awesome! I hope it doesn't overlap with my part-time job.

W: It's on Saturday, April 11th, and it starts at 7 p.m.

M: That's perfect. Let's check the ticket price. *[Pause]* Oh, it's \$20 for adults and \$10 for students.

W: Yeah, it's reasonable. Do you want to go together?

M: Absolutely! Let's get the tickets before they sell out.

10. 다음 표를 보면서 대화를 듣고, 여자가 구입할 여행용 목베개를 고르시오.

W: Honey, I'd like to buy a neck pillow for our trip. Can you help me pick one?

M: Sure. What options are you looking at?

W: I'm considering these five models.

M: Let me take a look. Do you have a budget?

W: I'd like to keep it under \$50. Anything more feels too expensive.

M: I agree. Then we can rule this one out. As for the cover material, I'd recommend something other than silk.

W: That's a good point. It's delicate and requires special care.

M: Exactly. Why don't you check the customer ratings? You should choose one with a rating of at least four stars.

W: Of course. Real user reviews matter. And I don't want white because it gets dirty easily.

M: That makes sense. Then, this one would be perfect for you.

W: Sounds good. I'll order it now.

11. 대화를 듣고, 남자의 마지막 말에 대한 여자의 응답으로 가장 적절한 것을 고르시오.

M: Oh, no! My laptop is almost out of battery, and I'm not done with my report yet.

M: That's just what I need! Can you tell me where they are?

W: _____

12. 대화를 듣고, 여자의 마지막 말에 대한 남자의 응답으로 가장 적절한 것을 고르시오.

W: Honey, what do you feel like eating tonight?

M: I'm in the mood for Mexican. I heard the Mexican place near our house is really good.

W: Yeah, it's really popular lately. The restaurant is always crowded.

M: Ugh... Then the wait must be long. I hate standing in line.

W: Actually, there's a way to avoid waiting outside in the long line.

M: Really? How?

W: We can join the waitlist through this app.

M: Through the app? How does it work?

W: You just choose the restaurant, enter the number of people, and you're on the list!

M: Then how can I know that my turn has come?

W: The app shows the estimated wait time and notifies you when your turn is getting close.

M: That's convenient. No need to stand outside for a long time.

W: _____

14. 대화를 듣고, 여자의 마지막 말에 대한 남자의 응답으로 가장 적절한 것을 고르시오.

M: Mom, where can I throw these jeans away?

W: Wait. Why do you want to throw them out? They still seem to be in good condition.

M: I know. But there is a hole in the knee.

W: Then, how about upcycling them into a bag? Didn't you say you wanted to get a new bag?

M: Do you mean making a bag using these jeans? That's a good idea, but I can't sew very well.

W: You don't need any advanced sewing skills. Just follow easy step-by-step instructional videos online.

M: Hmm. Making my own bag sounds fun and eco-friendly.

W: It certainly will be. Plus, you'll feel proud when you see the finished product.

M: You're right. I should give it a try.

W: I know a good channel. Do you want me to send you the link?

M: _____

15. 다음 상황 설명을 듣고, Sophia가 James에게 할 말로 가장 적절한 것을 고르시오.

M: Sophia and James are colleagues in a marketing team at a snack food company. They're working together to promote a chocolate bar, which is their latest product. Despite trying multiple advertising methods, the product didn't sell well. While searching for new marketing ideas, Sophia has observed that some brands have increased their popularity through collaborations with well-known characters. She believes the company could benefit from a similar approach. Featuring a popular character on the product could draw more attention and boost sales, as character-themed items are often preferred to ordinary products. So, Sophia wants to suggest that they should partner up with a character for their product. In this situation, what would Sophia most likely say to James?

Sophia: _____

[16 ~ 17] 다음을 듣고, 물음에 답하십시오.

W: Hello, students. As you know, we use both natural materials and artificial materials in our daily lives. Today, we'll take a look at several artificial materials that are commonly used in place of natural resources. First, let's talk about silk. Artificial silk is as widely used in clothing as the natural version, but it is easier to wash and maintain without any special treatment. We also have leather. These days, artificial leather is commonly used in bags and shoes. By reducing the demand for animal skins, it can help protect certain animal species. Next is the diamond. Artificial diamonds are almost identical to natural diamonds, but are offered at a much lower cost. Finally, rubber is another important material found in many everyday items. Artificial rubber often lasts longer and performs better in extreme conditions than natural rubber. Now, let's take a look at how these artificial alternatives have developed over time.
